City seeks Residents Interested in Veterans Park

January 20, 2006 – Eden Prairie—The City of Eden Prairie is interested in hearing from residents that may be interested in serving on an ad-hoc committee to consider a Veterans Park in the City.

“The idea of a Veterans Park in Eden Prairie has been around for some time,” said Mayor Nancy Tara-Lukens. “We would like citizens that may be interested in such a park to contact the City so that we can first determine if there’s enough interest. Secondly, if there is interest, we would have these people work with other interested residents to set up an ad-hoc committee.”

Any resident of Eden Prairie that is interested in this should complete a commission application, indicating that you are interested in the Veterans Park and forward it to Mike Barone at Eden Prairie City Center. The application can be obtained at the City’s website: www.edenprairie.org or at City Center. Questions may be directed to Mike Barone at 952-949-8433 or via email at mbarone@edenprairie.org.
